**I can open doors with a “1-2-3,”**

**and just like that the door  
goes “weeeeee.”**

**I've been working on how to  
make my sister vanish,**

**but mom says that trick is a  
bit outlandish.**

**We have performed for my  
stuffies if you must know.**

**We have had a lot of practice -  
this is not our first show.**

**Now, we have decided to take  
this show on the road.**

**My cousins' excitement might  
just make them explode!**

**Mommy and me bowed when  
the show wrapped.**

**Nothing felt as good as when  
they all clapped!**

**I have loved performing for  
everyone far and wide,**

**but my favorite thing is  
spending time with my  
mommy at my side.**

**MAGICAL  
MILLIE**

Millie and Mommy  
have something  
special to share,  
with a wave of  
Millie's wand  
there's magic  
in the air!
